 1. **S.R. 168 bridge replacement over Hottenbaugh Run in Eastbrook:** The tentative work schedule is March 6, 2023-September 14, 2023. The bridge will be closed during that time. Please use the detour route using state routes. The truck traffic restriction continues on Devil's Elbow Road due to the compromised culvert pipe. The Hickory Township Police Department has been directed to increase patrol activity in the area to mitigate issues.
 2. **East Palestine, OH train derailment:** The Township has received various press releases concerning the East Palestine, OH train derailment. If anyone is interested in viewing what has been provided, please contact the Township office. Please see the PEMA online Train Derailment Dashboard at <https://www.pema.pa.gov/derailment> for information and updates.
 3. **Spotted Lantern Fly:** Lawrence County is now a quarantine county. Residents and business should be aware that there are restrictions on transporting many materials across county and state lines. Permits are required. Please see Pennsylvania Department of Agriculture website for detailed information, maps and contacts.
